Yin Hao Jasmine.....Delicate green tea w/heady jasmine aroma - CHINA

Japanese Cherry.....Sencha with dried cherries and blossoms - JAPAN

Tropical Green.....Sencha with pineapple, mango, fruity flavors - JAPAN

Strawberry Fields.....Sencha with strawberries and flowers - JAPAN

Decaffeinated Tea: The caffeine in tea is buffered and is released slowly into our central nervous system and provides an increase in our ability to concentrate, can keep us feeling more alert and energetic throughout our day. For those who can not tolerate even teas gentle stimulant, we offer teas 98% decaffeinated using the CO2 process.

Decaf Earl Grey.....Steep 1 t. per 8 oz. 212* water, 3-5 minutes

Black Tea: Fully oxidized leaves produce a hearty deep rich flavor in a richly amber to dark brown colored infusion. It is the oxidation process (oxygen coming into contact with the enzymes in the tea leaf) that distinguishes black teas from all other teas. These are orthodox whole leaf teas and differ greatly from teas produced for tea bags. The soil and climate conditions that vary from region to region contribute to the unique characteristics of each varietal. Lots of fruity and flavored teas too!

Steep 1- 2 t. tea leaves in 8 oz. 212 water for 3 - 5 minutes*
